Guest Invitation to WRTC-2010

Dear Friends,

As you might already know the World Radiosport Team Championship 2010 is going to be held in Moscow July 8th-12th, 2010. We are happy to invite guests to visit Moscow during these WRTC-2010 days. This is a golden opportunity to feel the pulse of World Radiosport. It is your best chance to meet contesters from all over the globe in person and to be able to explore and enjoy Moscow - the fascinating capital of Russia.

The activities will be centered on the grounds of Atlas Park Hotel (<http://www.wrtc2010.ru/?id=30>), located near Moscow's Domodedovo International Airport. This is where all the competitors and referees are staying. Rooms are available for both international and Russian guests. We recommend you to make your reservations A.S.A.P. This will guarantee you get a room.

Lots of interesting activities for guests will be offered: (visit <http://www.wrtc2010.ru/?id=10>)

While WRTC-2010 is taking place, it would be possible to go on Moscow city tours and visit local radio clubs. You would be able to get on the air and participate in IARU contest from Russia.
